Background ...

The Friends of Lynchburg Dog Park, Inc. (FLDP) is an IRS 501(c)(3) tax-exempt, non-profit organization fundraising for the construction, maintenance, & management of a public, off-leash dog park in Lynchburg, Virginia. Donations to FLDP are tax deductible.

Working in partnership with the City, the off-leash park will be built within the existing Blackwater Creek Athletic Area. The project will be funded through donations and grants, and will be constructed in phases as monies become available.

Dogs Need Space to Run their Humans!

Dogs provide so much value, it only makes sense to give something back to these faithful friends— that's why an off-leash dog park is so important in Lynchburg! Exercise, socialization, free play, education and fun are all part of a dog's day. However, even humans garner benefits from these same activities. There are hundreds of reasons (and wagging tails) why you should support Lynchburg's only fenced, off-leash dog park. Help make the park a reality by donating or calling for more information today.
